

2010-ENTERING INTO HIS REST.

M. A., DANIEL

READ GEN 2:2. GEN20:8, HEB 4. PRAY. THEN READ THIS.

The Lord made it very clear to me that this will be the year that his children will enter into his rest. This rest is not about staying idle but actively engaging in a lifestyle that completely trust God.

Apostle Paul aptly describes it as labouring to enter his rest. Many will think it to be an oxymoron but its not. It means you have to actively disengage from what you were used to in your toil.

God rested from all of his works after creation in order to establish a pattern for us. This rest was instilled on the children of Israel in the ten commandments and in the ordinances coming with very stiff punishment. Jesus came to demonstrate that rest by actively working out his assignment totally depending on God.

In 2009, many were being revealed and did not understand it because many were revealed in a way that was not obvious to them; many lost their jobs, many were told to stop doing what they were, many lost friends, many lost old associates. These shifting were needed to manifest you but unfortunately, many resisted, fasted and prayed against Gods will all to no avail.

This is the year to step into all the lord has been showing you, dropping in your mind and nudging you to do. The difference is, this time you will have to trust him completely to complete your destiny.

needless wars will continue to drain the resources of the west and impacting on their economy. They will continue to drum up support for the fact that they are recovering in order to simulate a crowd effect that they hope will ultimately get them out of recession. **Be aware the**

“1.ENTER INTO COMPLETE REST FROM YOUR WORKS.

2.WORLD STAGE CONTINUES TO PREPARE FOR THE ANTICHRIST.

3.SOME ELEMENTS OF THE CHURCH JOINS IN PREPARING FOR THE ANTICHRIST.

4.THE WEST SEARCHING FOR A SOLUTION AMIDST CHAOS.

5.RUSSIA MAKES QUIET GAINS.

6.AFRICA CONTINUES TO BE RESTORED.

7.MIDDLE EAST,FAR EAST AND CHINA CONTINUES TO BE SATURATED WITH THE GOSPEL.

8.PLACES LIKE MALAYSIA,INDONESIA AND SINGAPORE,PEACE BETWEEN FAITHS WILL BE TRIED.

9.GOD WILL TAKE THE LEAD IN THE LIVES OF HIS CHILDREN,IF THEY ALLOW, TO ACHIEVE MUCH MORE THIS YEAR.

..”

after effect of this will run for a little while longer, so don't depend on the old system.Learn,practise how to live by faith now, you will need it in days to come. **Immigration** will continue to dominate the headlines as an easy target to

distract from the wound in Britain and a few other countries in Europe. it is also important to mention that we are drawing near to the end of the flurry that brought immigrants here as permitted by God. The **political scenes** will continue to be dominated by mediocrity as there will be very little separating the two dominant sides of the isle.

Europe will continue the advancement to a **post Christian** era at a rapid rate. Preachers watch out, paradigm is shifting to an aggressive one. Work in the community will be key to future relevance. Unity will also be key.

America will remain distracted as Russia quietly gain prominence off the back of Middle East crisis and rogue nations. Gog and Magog is assembling. Pray for America.

Israel will continue to fall out of favour with many more nations as more even in the church will start to doubt her relevance. We need to support Israel in prayers.

Africa will continue to make positive progress as more people from the Diaspora invest into her. Many more nations will adopt and maintain democracy.

The church will undergo further separation but clear markings as the line will be clearly drawn between those wolves in sheep clothing and the remnants of God. Many more churches will be shown to be merchandising centres. Choose your church carefully.

It is not the time to pursue personal agendas. **Listen and obey**. The lord will speak clearly even before you think it and direct you to places you did not plan to go. Give you houses you did not build. Business you did not start and favour you have not done anything to deserve.

This is the time to know God in a more intimate way in order to partake of this rest. Rest from all your chaos to Gods best for you. Welcome to 2010.
